**ADULT - Items to take to the DPS for your road exam**

Reminder before your exam begins: To avoid becoming nervous, stay focused on your goals, reading and obeying all signs/signals, monitoring your speed under 30 mph in a neighborhood, stopping at the white lines, scanning 1 sec L-R-C traffic before using an intersection (but DO NOT BRAKE on a green light unless your path is blocked), staying centered in your lane, signaling in advance of a turn or lane change 100 ft (3 house lengths-or at least 4 'blinks'). Usually the DPS will inspect Parallel Parking first, and then exit to the Neighborhood for 15 or so turns, and a reversal of 20 yards-BE SURE YOU ARE LOOKING BACK over your right shoulder, be sure on making a right turn to turn INTO THE FIRST LANE (Driver Handbook p. 6-6). If you need to review, the DPS Driver Handbook PDF digital copy can be saved to your desktop, again 'Google' it to locate. Good Luck!

You must register online to schedule your DPS road exam at <https://txdpsscheduler.com/> or just Google 'DPS Road Exam'. They are booked up 2-3 weeks (I recommend the Pflugerville DPS as it is a 'Mega' Center and has 3 supreme Parallel Parking Stations.) In the event you want to 'pay' for DPS Third Party Testing to avoid the wait, there are two local providers: Austin Driving School in Round Rock \$75 - 512-244-1735 (Round Rock Ave @ RR 620) and Wilco Driving School does a Review Lesson and then an exam \$125 (\$155 weekends) schedule online.

-

6. **Proof of Residency**
  1. Two forms of residency proof - 2 current utility bills showing name and address
  2. One bank statement showing name and address

-----

Rev. 9/12/20

**ADULT AGES 18-25 DPS DISTRACTED DRIVER PROGRAM - Implemented 9/1/15**

**As of September 1, 2015**, anyone who takes a Adult 6-hour driver education course, must also complete the DPS ITYD (Impact Texas Young Driver) program course online, which consists of watching the video, answering test questions and printing out the ITYD completion certificate. This course is the last step before taking the driving road skills examination. We encourage Parents to view the video also, to become more aware of neglectful-distracted drivers with whom they too are sharing the road with daily.

**Course link: <https://impacttexasdrivers.dps.texas.gov/ITYD/>**

- free
- online
- 2 hours
- certificate is emailed - certificate expires 90 days from completion
